

EMERGENCY 2

Product Code: EM02.XX.XXX.XX

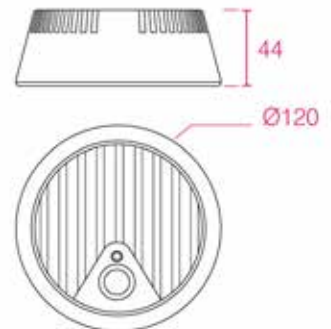

Product description:

The Emergency 2 is a high performance self-contained LED emergency luminaire. It incorporates an LED module, an NiMH battery pack and a deep discharge protection circuit. The unit can be surface mounted or recessed into a 105mm – 110mm cut out using mounting brackets provided. The luminaire includes a rechargeable 3.6V 1.7Ah NiMH battery pack for 3 hours operation. The in-built reflector design ensures efficient output. Includes integral charge indicator LED.

5 YEAR
GUARANTEE
