

IPL 3

Product Code: IP03.XX.XXX.XX

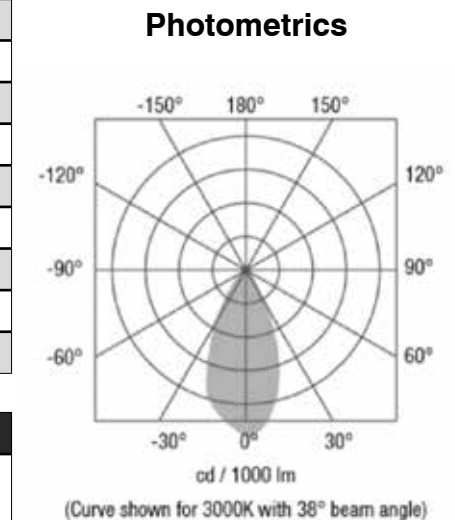

Product description:

A triple high-strength plaster downlight in a square architectural recess. Designed for a seamless plastered-in recessed installation. Created in natural chalk-white plaster for finishing on site as required. Available in 9W and 15W LED versions with various colour temperature options and beam angles. Luminous flux ranges are 640-715lm for 9W and 960-1160lm for 15W, with dimmable driver options available and a CRI of 80+. A durable downlight with a lifetime of 50,000 hours under normal conditions. Luminaire Warranty 5 years. Additional features include emergency options.

5 YEAR
GUARANTEE
